

Calling all RMOs and SMOs to register for Holidays Act payments

Please register now on the nationwide Holidays Act portal for former employees to receive any payments owed for all your previous roles.

We're working to correct underpaid leave under the Holidays Act, going back to 1 May 2010. Your payroll team will remediate your current role – check your local intranet for details.

Registering for your previous roles and rotations

You have likely worked for us on rotation in different city and rural hospitals.

This makes you a 'former employee' for Holidays Act remediation.

Please register on our national portal, so we can check your current details and keep you informed about upcoming payments for all your previous roles.

Each payroll team is remediating current employees first, then former employees. Payments to former employees will start in 2024.

Not everyone will receive a payment – some people have been paid correctly for their leave.

Once you have registered

Each time you log in, we will email you a verification code, to make sure it's really you. If you have any issues registering or logging in, use the helpdesk link on the home page. Closer to payment time, you will be asked to provide bank account details through the secure portal.

Check out our Questions section for more information or log in to contact our support team.

Complete these 5 Steps to Register

1

Visit:
remediate.tewhatauora.govt.nz

2

Complete the 'Register an account' section – you will need an email address you use regularly (work or personal)

3

Check your inbox for an email from us with your username, then use this to log in – check your inbox again (or junk mail!) for the verification code

4

Complete the 'Get started' section – you will need your IR number

5

Wait to hear from us when we are ready to make payments.
