

ON AN IEA AND THINKING ABOUT JOINING STONZ?

IF I BECOME A MEMBER OF STONZ, AM I ENTITLED TO BACK PAY?

If you are on an IEA you can sign up to be a STONZ member at any time. You will only receive the increases to REM from the date you join STONZ.

If you are currently a member of another union and wish to change your terms and conditions to STONZ, you can do this 60 days before the expiry of your current agreement, up until your current union ratifies a new agreement.

However, you may be required to provide notice as outlined in their constitution or membership policy e.g. 2 weeks. Once you have fulfilled the notice period you can join STONZ and be covered by our T&Cs!

I AM ALREADY ON AN IEA BASED ON THE STONZ SECA. WHAT ARE THE ADVANTAGES FOR ME IF I JOIN STONZ NOW?

The benefits of being a union member are also about what else we offer in terms of the day-to-day support and advocacy we provide members.

Joining a union also provides a stronger collective voice when negotiating and advocating on the big issues.

As an RMO on an IEA based on the previous STONZ SECA, there is no guarantee when the employer may pass those benefits on. It will be at least a minimum of 3 months delay in passing on any of the new provisions.

If you want to change your IEA or talk through options, contact us, or your RMO Unit is also a good place to seek advice.

STONZ MEMBERS WILL HAVE THE NEW TERMS AND CONDITIONS NEGOTIATED AUTOMATICALLY BE APPLIED TO THEM.

If you want to be covered by the STONZ T&Cs, the easiest way is to sign up as a member [HERE](#).
