

## STONZ SECA COMPARISON

### STONZ v NZRDA Collective Agreement Comparison

Updated following STONZ new Collective Agreement, effective 14th February 2024 and NZRDA new Collective agreement, effective 18th June 2024.

#### SECA TERM

**STONZ SECA:** A two-year agreement from 14<sup>th</sup> February 2024 – 28<sup>th</sup> February 2026

**NZRDA:** A two-year agreement from 18<sup>th</sup> June 2024 to 31<sup>st</sup> July 2026

If you are a member of the NZRDA, your terms and conditions are locked in until 1<sup>st</sup> June 2026. If you want to change your collective terms and conditions as an NZRDA member you are now only able to do this 60 days before the NZRDA SECA expiry (31 July 2026) and up until the ratification of a new agreement. You cannot currently under New Zealand employment law change your collective terms and conditions when moving from House Officer to Registrar within Te Whatu Ora. However, at any time, an employee can resign a union and negotiate an IEA directly with the RMO Unit. Noting, that STONZ has a specific membership group for those RMOs who negotiate IEAs based on the STONZ terms and conditions, but cannot be full members.

#### SALARIES

STONZ and the NZRDA have negotiated pay increases over the term of each SECA. As part of the most recent negotiations, 97% of STONZ members received a pay increase and 90% of our members received a pay increase of over 14% in the first year. The average pay increase across the 2-years is 18%.

An example of a House Officer and Registrar is below.

- A House Officer step 2 on Category C is approximately \$5,000 per year better off under STONZ\*
- A Registrar step 3 on category C is approximately \$4,800 per year better off under STONZ\*

**\*This does not take into account that NZRDA will have their salaries recalculated and categories potentially dropped for observing RDOs.**

<b>Interpretations</b>	<p>Definition update to remove the pre-requisite that an RMO must have completed 2 years as a House Officer to become a Registrar. Clause	STONZ	NZRDA
<b>Limits on Hours - Promoting better Rosters.</b>	<p>This paragraph in the SECA outlines that the clauses in our collective should be used to develop rosters that are best-fit for RMOs and services – rather than rostering to the maximum allowed under the collective as a default.</p> <p>Often Districts state the STONZ members must work to the maximum in the collective – this paragraph clarifies our position.</p>	<p>Do not have this specific wording.</p> <p>Many of the clauses under the limits on hours section are similar for both unions (10/4 Rosters withstanding).</p>

## CONSISTENCIES BETWEEN THE STONZ & NZRDA SECA

Prior to STONZ formation in 2018 and our first collective agreement, RMO terms & conditions had remained largely unchanged for 15+ years. The majority of the contracts are based on the same terms and conditions, however the STONZ team sought to drive significant change in some area's focusing on RMO training and how we could better support specialist career progression. In 2021 NZRDA adopted many of the clauses that STONZ had negotiated 2018, and again in 2024.

The following clauses are now the same as the STONZ SECA.

<p><b>Parental Leave</b></p> <p>STONZ Clause 28.0 NZRDA Clause 23.0</p>	<p>In 2018 when <b>STONZ</b> was first established we negotiated to significantly improve the entitlements for RMOs.
